Ladies' Night Out promotes health awareness and appreciation for the women of Hawai'i island by providing an evening of free pampering and health services. This special event is a tribute to Ms. Nancy Everett, a registered nurse who worked closely alongside Hui Mālama Ola Nā 'Ōiwi until her untimely passing in 2000. Her valuable guidance and consultation helped Hui Mālama Ola Nā 'Ōiwi provide women opportunities for health awareness and care.

**Funded by:** AlohaCare, County of Hawai'i, and the Health Resources & Services Administration
